Dear Mr. Cipriani:

By Secretarial letter entered June 16, 1998, the Commission directed that SEPTA complete work on the Bellevue Avenue crossing in Bucks County in the above-referenced matter on or before December 31, 1998. If SEPTA has not completed the project and does not file a petition for extension of time with the Commission within thirty (30) days from the date of this letter, the Bureau of Transportation and Safety will recommend that the Commission initiate an enforcement action against SEPTA.

Thank you for your attention to this matter.
