SUBJECT: A-00120156; Application of Conshohocken Borough for approval of the alteration of the crossing (DOT 592 688 K) where Harry Street crosses, at grade, two (2) tracks of Southeastern Pennsylvania Transportation Authority (SEPTA) by providing railroad preemption for the adjacent highway intersection traffic signals in Conshohocken Borough, Montgomery County

TO: James J. McNulty
Secretary

FROM: Cheryl Walker Davis, Director
Office of Special Assistants

On June 1, 2006, Southeastern Pennsylvania Transportation Authority (SEPTA) filed a *Petition of Appeal from the Action of the Secretary* (Petition). The Secretarial Letter to which the Petition refers was issued on May 19, 2006, notifying the Parties that the record in this proceeding was marked "CLOSED," and instructing the Parties that if they were dissatisfied with the resolution of this matter, they were to file a Petition noting their dissatisfaction with the Commission. SEPTA's Petition was assigned to the Office of Special Assistants (OSA).

On March 5, 2007, SEPTA filed a Petition to Withdraw Petition (Petition to Withdraw). In that Petition, SEPTA represented that the Redevelopment Authority of Montgomery County (Authority), which is the agency funneling monies to SEPTA for the project, has paid a previously outstanding bill and that, as such, SEPTA had no objection to the closing of the instant case. Accordingly, SEPTA's Petition has been rendered moot.

Accordingly, please remove this assignment from OSA's List of Active Cases. Thank you for your prompt attention to this matter. Should you have any questions, please do not hesitate to contact Kathryn Sophy of my Staff at 7-8108.
