<This is an entirely new rule.>

Rule 1930.10. Signature.

When used in reference to documents filed pursuant to Pa.R.Civ.P. 1901-1959, a “signature” includes a handwritten signature, a copy of a handwritten signature, a computer-generated signature or a signature created, transmitted, received, or stored by electronic means by the signer or by someone with the signer’s authorization unless otherwise provided in these rules. **Comment:** *See also* Pa.R.Civ.P. 76 (defining “signature”).

This rule is intended to permit the use of other forms of signature to be deemed the equivalent of a handwritten or “wet” signature on documents, including, but not limited to, pleadings, verifications, and stipulations. A signatory, regardless of the use of a signature in any permitted form, remains subject to sanctions pursuant to the Pennsylvania Rules of Civil Procedure, and penalties and liability as permitted by law. *See, e.g.*, Pa.R.Civ.P. 1023.4; Pa.R.Civ.P. 4019; 18 Pa.C.S. § 4904; 42 Pa.C.S. §§ 2503, 8351.

**SUPREME COURT OF PENNSYLVANIA
DOMESTIC RELATIONS PROCEDURAL RULES COMMITTEE**

PUBLICATION REPORT

Proposed Adoption of Pa.R.Civ.P. 1930.10

The Domestic Relations Procedural Rules Committee (Committee) is considering proposing the adoption of Pennsylvania Rule of Civil Procedure 1930.10 to permit the use of “facsimile signatures” on documents filed pursuant to Pa.R.Civ.P. 1901-1959.

The Committee has been studying whether facsimile signatures should be accepted in lieu of “wet” or pen-and-ink signatures on documents filed with the court. Preliminarily, the concept of a “wet” signature may be illustrated through reference to Pa.R.E. 902(4) and the Comment concerning the self-authentication of certified copies of public records. In relevant part, that rule states: “A certificate required by paragraph (4)(B) may include a handwritten signature, a copy of a handwritten signature, a computer generated signature, or a signature created, transmitted, received, or stored by electronic means, by the signer or by someone with the signer’s authorization. A seal may, but need not, be raised.” Its Comment, in relevant part, states: “Pa.R.E. 902(4) differs from F.R.E. 902(4) insofar as the rule does not require the certificate to include a pen-and-ink signature or raised seal for the self-authentication of public documents.”

The Committee believes that the requirement of a “wet” signature is archaic because, in more modern practice, the entire case record may be digital and never exist in physical form. Further, with the remote practice of law or multi-office/multi-county practices, obtaining a client’s “wet” signature prior to filing causes unnecessary delay and expense when signed documents are mailed, and an unnecessary inconvenience when documents must be signed in person. Additionally, in family court matters, there is often insufficient time for the client to deliver a “wet” signed document to the attorney prior to filing.

Pa.R.Civ.P. 205.3(a) presently permits a party to file a copy of a pleading or other legal paper provided the copy shows that the original “was properly signed.” Subdivision (b) provides that the other party may require the original to be filed. Pa.R.Civ.P. 205.4(b)(3)(i), governing e-filing of documents, states that e-filing constitutes a certification by the filing party that a “hard copy” of the document, including verification, was properly signed.

Pa.R.Civ.P. 76 does not define a “signature”; rather it provides examples of what may constitute a “signature.” It is only with reference to documents produced by a court does Pa.R.Civ.P. 76 include “a handwritten signature, a copy of a handwritten signature, a computer generated signature or a signature created, transmitted, received, or stored

by electronic means, by the signer or by someone with the signer’s authorization.” These examples do not include documents filed with the court by parties. Therefore, originals of documents filed with the court by parties must contain a “wet” signature and, if e-filed, retained by the parties.

Pa.R.Civ.P. 1930.10 is intended to permit the use of facsimile signatures. The language is borrowed from the examples of “signature” in Pa.R.Civ.P. 76, as applied to court-generated documents. The rule would not prohibit the use of commercial applications that allow users to “sign” a document electronically because the digital artifacts indicating the date and time when a document was signed and the electronic location of the signer permit authentication.

The Committee did not believe that a “wet” signature provides a significant safeguard against forgery. If a party would be willing to forge a facsimile signature, then the party would likely be inclined to also forge a “wet” signature. *See also* 18 Pa.C.S. § 4101(b) (defining a “writing” for the offense of forgery to include digital signatures). Nor did the Committee believe that a “wet” signature provided such an assurance of attribution to warrant its continued requirement. Notwithstanding, the Committee added cautionary citations to authority in the Comment advising readers that the form of a signature is not a shield against the consequences of the improper use of a signature.

All comments, concerns, and suggestions concerning this rule proposal are welcome.

No.3 of 2025

ADMINISTRATIVE ORDER

In re: Additional Directives to the Sheriff of Philadelphia Regarding Security of Court Facilities of the First Judicial District

ORDER

AND NOW, this 11th day of March 2025, the Administrative Governing Board of the First Judicial District of Pennsylvania, Philadelphia County (“AGB”) hereby issues the following Administrative Order containing directives to the Sheriff of Philadelphia regarding security of Court facilities of the First Judicial District:

WHEREAS, on December 9, 2024, as a result of failures of the Sheriff of Philadelphia to properly staff courtrooms and court facilities in the First Judicial District and timely transport incarcerated persons between the holding rooms and courtrooms in the Stout Center for Criminal Justice, the AGB issued Administrative Order 16 of 2024, directing the Sheriff of Philadelphia to prepare and deliver a plan of action to accomplish the following directives within 90 days of the Order:

1. Plans for staffing the entrances to the Stout Center for Criminal Justice, the Family Court Building, the 6th and 10th floors of the Widener Building, Traffic Court Building, and 714 Market Street.

2. Plans for deputy sheriffs to provide security patrols throughout the Stout Center, Family Court, City Hall and the Traffic Court Building throughout business hours (8 am - 5 pm.)

3. Plans and procedures to timely and safely transport prisoners to and from the courthouse and escort them throughout the building to and from holding areas to conference rooms and courtrooms ensuring arrival prior to the start of their scheduled hearings, trials or other court proceedings.

4. Plans and procedures to place a Deputy Sheriff in the following areas:

a. Each courtroom in the Stout Center for Criminal Justice when the courtroom is in operation.

b. Each courtroom in the Family Court Building when the courtroom is in operation.

c. Each floor of City Hall from the 2nd Floor to 6th Floor.

d. The 6th Floor and 10th Floors of the Widener Building.

e. Each courtroom in the Traffic Court Building.

A copy of Administrative Order 16 of 2024 is attached for reference as Exhibit “A.”

WHEREAS, on January 3, 2025, the Sheriff of Philadelphia delivered a plan as compelled by Order 16 of 2024 and has made good-faith attempts through numerous meetings, discussions and communications with Judicial Leadership to work with the First Judicial District which have resulted in improvements in timely prisoner transportation and increased security for the courtrooms for the Stout Center.

WHEREAS, despite the progress made since Order 16 of 2024, the 90-day deadline to accomplish the directives has expired and some of the directives have not been accomplished. The AGB recognizes that the Sheriff currently does not have enough deputies to accomplish all the directives in Order 16 of 2024 and as a result is currently not able to adequately staff each courtroom with Sheriff’s deputies, timely transport incarcerated persons to courthouses and court facilities, and comply with the other directives in Order 16 of 2024.

WHEREAS, the failure to address and to resolve the directives has resulted in direct harm to the proper functioning and safe operation and administration of the Courts in the First Judicial District including but not limited to the temporary closure of 714 Market Street to the public to ensure the safety of Court staff in the Adult Probation and Parole Department and Pretrial Services Department, and will continue to threaten the proper functioning and safe operation of the Courts in the First Judicial District.

WHEREAS, there is good cause shown and exigent circumstances present for the Administrative Governing Board to enter this Administrative Order to direct the Sheriff of Philadelphia to submit a formal plan for hiring deputies and otherwise filling vacancies, and to comply with other directives listed below; and

NOW, THEREFORE, it is hereby ORDERED and DECREED that, within 30 days of the date of this Order, the Sheriff of Philadelphia shall prepare and deliver to the District Court Administrator a detailed and complete written plan of action containing the following:

1. A report identifying the number of unfilled but budgeted deputy positions in the Sheriff’s Office and detailing the efforts made by the Sheriff to recruit and hire deputies to fill them, as well as including but not limited to the following:

- a. The creation of a Sheriff Academy in Philadelphia including but not limited to responses to the Pennsylvania Commission on Crime and Delinquency’s survey regarding the feasibility of establishing a Sheriff Academy in Philadelphia.
- b. The ability to conduct year-round hiring instead of the current twice-a-year period.
- c. Full access to the Applicant Lists from the City’s Human Resource Office.

2. A report identifying the number of deputies necessary to comply with all the directives set forth in Order 16 of 2024 and detailing a plan to onboard sufficient deputies to comply with those directives.

3. A report identifying the number of deputies necessary to provide security including security patrols for the following court facilities in addition to those mentioned in Order 16 of 2024:

a. The Court of Common Pleas Arbitration Center at 1880 John F. Kennedy Boulevard, 5th Floor.

b. The Adult Probation and Parole and Pre-Trial Services at 714 Market Street.

Said report shall detail plans to onboard the number of deputies necessary to provide security including security patrols for those court facilities.

This Order shall be filed with the Office of Judicial Records in a docket maintained for Administrative Orders issued by the First Judicial District of Pennsylvania. The Order and addendum shall be submitted to the *Pennsylvania Bulletin* for publication. Copies shall also be submitted to the Administrative Office of Pennsylvania Courts, *The Legal Intelligencer*, Jenkins Memorial Law Library, and the Law Library for the First Judicial District of Pennsylvania, and shall be posted on the, website of the First Judicial District of Pennsylvania: <http://www.courts.phila.gov>

ADMINISTRATIVE ORDER

In re: Directives to the Sheriff of Philadelphia Regarding Security of Court Facilities of the First Judicial District

ORDER

AND NOW, this day of December 2024, the Administrative Governing Board of the First Judicial District of Philadelphia County hereby issues the following Administrative Order containing directives to the Sheriff of Philadelphia regarding security of Court facilities of the First Judicial District:

WHEREAS, pursuant to Article V, section 10 of the Pennsylvania Constitution (entitled, “Judicial Administration”), the Pennsylvania Supreme Court is vested with broad and exclusive general supervisory and administrative authority over all the Courts in the Unified Judicial System; and pursuant to Article V, section 10(c) of the Pennsylvania Constitution, the Supreme Court has the power, *inter alia*, “to prescribe general rules governing...the conduct of all courts...and all officers serving process or enforcing orders...and the administration of all courts...;”

WHEREAS, the Pennsylvania Supreme Court established the Administrative Governing Board of the First Judicial District, by its Order of May 26th, 1993, and vested it with various duties and responsibilities, *inter alia*, monitoring the overall performance of the courts of the First Judicial District;

WHEREAS, pursuant to section 103 of Title 42 (entitled, “Judiciary and Judicial Procedure”), the Pennsylvania General Assembly recognized this Constitutional grant of authority by vesting in “the unified judicial system and in the personnel of the system power to do all things that are reasonably necessary for the proper execution and administration of their functions within the scope of their respective jurisdiction;”

WHEREAS, the Pennsylvania Rules of Judicial Administration define “sheriffs” as being “System and related personnel” and “Related staff” “who serve the unified judicial system;”

WHEREAS, the Pennsylvania General Assembly also recognizes, in the Judicial Code, that sheriffs are “System and related personnel” and “Related staff” who “serve the unified judicial system,” as confirmed by the General Assembly’s adoption of analogous definitions for these same terms;

WHEREAS, pursuant to the foregoing provisions, this Court has authority over the Sheriff of Philadelphia in matters concerning the administration of the First Judicial District and with respect to the services that the Sheriff performs for the Courts, including but not limited to, security in all court facilities and courtrooms, and prisoner transport.

WHEREAS, the proper administration of justice in the Courts of the First Judicial District has been – and will continue to be – threatened due to the Philadelphia Sheriff Office’s systemic failures to properly staff courtrooms and court facilities in the First Judicial District with AOPC tracking 72 security incidents in Philadelphia courts in 2023, which is a 140% increase in incidents between 2022 and 2023, with 2024 on pace to exceed the number of security incidents in 2023, and such security failures are an imminent threat to the safety and health of all persons present in the courthouses, courtrooms and court facilities, including members of the public, parties, victims, witnesses, attorneys, jurors, court staff and judges;

WHEREAS, the Sheriff of Philadelphia has failed in her responsibility to timely transport incarcerated persons between the holding rooms and courtrooms in the Stout Center for Criminal Justice, resulting in significant negative consequences including delays in or continuances of criminal proceedings, the failure of witnesses and victims to return to the Stout Center for a criminal proceeding that was continued or delayed, and costs and burdens imposed upon lawyers, jurors, and witnesses who appear for criminal proceedings that are delayed for hours;

WHEREAS, the Administrative Governing Board has attempted to resolve these failures through numerous informal and formal meetings, discussions and communications between the leadership of the Sheriff’s Office as well as directly with the Sheriff, and Judicial Leadership with the goal of addressing and resolving these failures, to no avail, which has threatened – and will continue to threaten – the proper functioning and safe operation and administration of the Courts in the First Judicial District;

WHEREAS, there is good cause shown and also exigent circumstances present for the Administrative Governing Board to enter this Administrative Order to direct the Sheriff of

Philadelphia to submit a formal plan for staffing each courtroom with Sheriff’s deputies, for timely transportation of incarcerated persons to courthouses and court facilities, and to comply with other directives listed below; and

NOW, THEREFORE, it is hereby ORDERED and DECREED that, within 30 days of the date of this Order, the Sheriff of Philadelphia shall prepare and deliver to the District Court Administrator a detailed and complete written plan of action to accomplish all of the following directives within 90 days of the date of this Order:

SUPREME COURT OF PENNSYLVANIA
JUVENILE COURT PROCEDURAL RULES COMMITTEE

PUBLICATION REPORT

Proposed Amendment of Pa.R.J.C.P. 161, 170, and 172

The Juvenile Court Procedural Rules Committee (“Committee”) is considering proposing the amendment of Pennsylvania Rules of Juvenile Court Procedure 161, 170, and 172 governing expungement procedures.

The Committee previously published a proposal to revise the required contents of an expungement order to direct that all records be expunged or destroyed and to provide the juvenile court with the discretion to establish a compliance deadline. *See* 49 Pa.B. 7293 (December 14, 2019). That proposal was intended to address concerns of undue delay in compliance with expungement orders and incomplete expungements.

Thereafter, the Committee reopened rulemaking to address further concerns about incomplete expungements. The Committee proposed amending Pa.R.J.C.P. 161 to add subdivision (e) to permit an eligible juvenile to submit a written request to the juvenile probation office to disclose information to the juvenile that is necessary to expunge the juvenile’s records. The juvenile probation office would have 30 days to respond to that request. The requirements for the content of an expungement motion set forth in Pa.R.J.C.P. 170(b) would be amended to include identification of the records to be expunged and the record keepers to be served with the expungement order.

The Committee also proposed amending Pa.R.J.C.P. 172 to require recordkeepers to respond in writing within 30 days of service of the expungement order about the action taken in response to the order. This amendment was intended to provide the necessary feedback to ensure compliance with expungement orders and to detect whether additional information is needed to effectuate the expungement.

The proposal was published for comment. *See* 54 Pa.B. 2061 (April 20, 2024). Three comments were received, and all supported the proposal with one suggesting further refinements. Thereafter, the Committee revised the Comment to Pa.R.J.C.P. 161 and Pa.R.J.C.P. 170(f) to include courtesy supervision. Next, the Committee revised Pa.R.J.C.P. 172(a)(4) to include the juvenile as a recipient of the notice with a corollary revision to Pa.R.J.C.P. 170 to add subdivision (b) (12) to include information in the motion on where to send the notice to the juvenile. Finally, the Committee revised the Comment to Pa.R.J.C.P. 170 to add a reference to 44

Pa.C.S. § 2321 for the expungement of a DNA sample, record, or profile.

Following publication, the Act of October 16, 2024, P.L. 1006, No. 108 amended the eligibility requirements for obtaining an expungement of juvenile records. Generally, the category of offenses subject to expungement was broadened and the length of time to become eligible was decreased. Additionally, the Chief Juvenile Probation Officer or designee (hereinafter referred to as “JPO”) is responsible for notifying the court that a juvenile’s records are eligible for expungement and requesting the court to initiate expungement proceedings.

Specifically, the Act amended the Juvenile Act to expand JPO responsibilities to include:

The Chief Juvenile Probation Officer or designee shall promptly *notify* the court that the records of a juvenile delinquency case are eligible for expungement and shall *request* the court to initiate expungement proceedings in accordance with 18 Pa.C.S. § 9123 (relating to juvenile records) and the Pennsylvania Rules of Juvenile Court Procedure, upon *determining* that any of the following applies:

42 Pa.C.S. § 6304 (a.2) (emphasis added). Accordingly, there are three actions that must be performed by the JPO. First, the JPO must determine a juvenile’s eligibility for expungement under 18 Pa.C.S. § 9123. Second, assuming a juvenile is eligible, the JPO must notify the court. Third, the JPO must also “request” the court to initiate expungement proceedings. It is through the “request” that the Act places the greatest procedural burden on the JPO.

To implement the Act, the Committee reopened rulemaking once more. The juvenile-initiated motion procedure would be preserved, including the previously proposed procedures in Pa.R.J.C.P. 161(d)(2). This would provide a juvenile with procedures if a JPO does not make a timely eligibility determination, if the juvenile is able to secure the prosecutor’s consent, or if the juvenile wishes to seek expungement again at a later date if a JPO’s request was denied. Further, it was uncertain whether the Act was only prospective in nature.

Pa.R.J.C.P. 170(a) would be amended to include a JPO’s request as a method of commencing an expungement. Thereafter, the “request” would flow along the same procedures as a motion, containing the same information as a motion for the recordkeepers to ensure a complete expungement.

Service of a request may be more complicated than a motion. Pursuant to Pa.R.J.C.P. 170(d), a request would be filed by the JPO and served on the parties presumably via PACFile. The reference to Pa.R.J.C.P. 345 in subdivision (d) would permit the juvenile to be served if unrepresented.

However, the Committee recognized that the eligibility for some expungements may be several years after a juvenile’s supervision has been terminated and, if the juvenile’s attorney has not withdrawn his or her appearance, then the attorney is going to be served with the request. In those circumstances, the juvenile’s former attorney may not know where the juvenile currently lives.

Subdivision (h) would be added to Pa.R.J.C.P. 170 to permit the court to decide a request in the juvenile’s absence if the juvenile’s whereabouts are “not reasonably known.” Hence, an expungement by request could still proceed even if service on the juvenile could not be accomplished. Regarding “not reasonably known,” the intent of that phrase was to require some effort to determine a juvenile’s whereabouts without prescribing those efforts.

Pa.R.J.C.P. 170(i), which would include both an expungement by request and an expungement by motion, would allow a juvenile to seek another expungement so there would be no prejudice if a request or motion was denied. While the basis for expungement is primarily factual, *e.g.*, type of offense, years since offense, reoffend status, which will not change overtime, subdivision (i) is intended to permit a subsequent petition if expungement was denied “upon cause shown.” *See* 18 Pa.C.S. § 9123(a.1) (2). Also, the prosecutor might later consent to an expungement.

The eligibility requirements in Pa.R.J.C.P. 170(A) would be removed and the Comment revised to include a reference to 18 Pa.C.S. § 9123(a)-(a.1) for eligibility. No further amendment of Pa.R.J.C.P. 172 has been proposed to implement the Act. Previously proposed amendments have been retained.

The Committee invites all comments, concerns, and suggestions regarding this rule-making proposal.

Rule 161. Inspecting, Copying, and Disseminating Juvenile Probation Files.

[A.](a) Inspecting and Copying. Except as provided in **[paragraph (C)] subdivision (c)**, juvenile probation files shall be open to inspection **[and/or] and** copying only by:

- the juvenile or the juvenile’s **[attorney] counsel** of record in the instant proceeding;
- the attorney for the Commonwealth;
- the State Sexual Offenders Assessment Board;
- the Juvenile Court Judges’ Commission; or
- any other person, agency, or department by order of court.

[B.](b) Juvenile Probation Information.

- Information maintained by juvenile probation offices other than juvenile probation files shall be subject to inspection **[and/or] and** copying only pursuant to court order.
- Each juvenile probation office shall create a document, which describes the informa-

tion that is maintained by the juvenile probation office concerning each juvenile. This document shall be open to inspection and copying pursuant to **[paragraph (A)] subdivision(a)**.

[C.](c) Contents of Order. The order shall:

- (1)

specify who shall be permitted to inspect the file, information, or any portion thereof;
- (2)

specify who shall be permitted to copy the file or information;
- (3)

state that the file or information received shall not be disseminated to any person, agency, or department not listed in the court order; and
- (4)

state that dissemination of any file or information received is a violation of the court order.

1. [D.](d) Disseminating.

- (1)

The juvenile probation office has discretion to disseminate portions of its files or information to the juvenile, service providers, placement facilities, and courts and courts’ professional staff of other jurisdictions when facilitating placement, the delivery of services, treatment, or transfer of the case to, or supervision by another jurisdiction consistent with applicable Federal or state law.
- (2)

The juvenile probation office shall maintain:

(i)

a list of recipients to whom the juvenile probation office has disseminated a juvenile’s record; and

(ii)

the identification of the records disseminated.
- (3)

Unauthorized dissemination of any file or information to a person, agency, or department not permitted to inspect or copy the file pursuant to this rule may result in a finding of contempt of court.

(e) **Information for Expungement or Destruction of Juvenile’s Records. Upon written request by an eligible juvenile for the purpose of expunging or destroying the juvenile’s records, and without the necessity of a court order, the juvenile probation office shall provide the juvenile the following within 30 days of the request:**

- (1)

a list of recipients to whom the juvenile probation office has disseminated the juvenile’s record;
- (2)

the identification of the records disseminated; and
- (3)

any other information reasonably necessary to expunge the juvenile’s record.

Comment: Documents contained in the juvenile probation files are not a part of the official court record unless the juvenile probation office officially files the documents in the official court record. Those documents placed in the official court record are governed by **[Rule] Pa.R.J.C.P.160** and **42 Pa.C.S. § 6307**.

Juvenile probation files containing a juvenile’s disclosures for the purpose of treatment should be reviewed for potentially privileged communications prior to dissemination. *See, e.g., Commonwealth v. Carter*, 821 A.2d 601 (Pa. Super. 2003).

The notes of a juvenile probation officer, which describe the officer’s impressions or personal observations, but which are not included in a report to the court or other report, are not considered a component of a juvenile probation file that is open to inspection **[or] and** copying under **[paragraph (A)] subdivision(a)**. “Juvenile probation files,” as used in **[paragraph(A)] subdivision(a)** and defined in **[Rule] Pa.R.J.C.P. 120**, is intended to include files existing in whole or in part in either paper or digital form.

Nothing in this rule is intended to preclude the juvenile probation office from sharing information with the juvenile.

For an intercounty transfer case or courtesy supervision, see Pa.R.J.C.P.302, a written request pursuant to subdivision (c) should be made to the juvenile probation office in both the county of origin and the county that received the juvenile’s case or provided courtesy supervision.

[OfficialNote: Rule 161 adopted May 21, 2012, effective August 1, 2012. Amended August 23, 2012, effective immediately. Amended March 15, 2019, effective July 1, 2019.

Expungement proceedings may be commenced upon these dismissals of the written allegation or the petition.]

For the eligibility of an expungement of juvenile records, see 18 Pa.C.S. §9123(a)-(a.1). For the definition of “juvenile records,” .R.J.C.P.120. See also 42 Pa. C.S. § 6309(c) (defining “juvenile history record information”); 42 Pa.C.S. §6308(c)(3) (destruction of fingerprint and photographic records).

For expungement of summary offenses heard by a magisterial district court or criminal court, see Pa.R. Crim.P. 490 and 490.1 (truancy). For eligibility for expungement, see 18 Pa.C.S. § 9123(a); 24 P.S. § 13-1333.3(h) (truancy).

The “chief juvenile probation officer” in subdivisions (a) and (d) include the chief juvenile probation officer’s designee. See also 42 Pa.C.S. §6304 (a.2) (setting forth responsibility for providing notice and making request).

Under **[paragraph (B)(6)] subdivision (b)(6)**, any number assigned to police papers helpful in tracking the police report or written allegation that would assist the law enforcement agency in expunging or destroying the document is to be listed. A reference number could be a juvenile offense tracking number, district control number, crime control number, incident number, Philadelphia identification number, or another number assigned by the law enforcement agency to track the document.

Pursuant to **[paragraph (B)(9)] subdivision (b)(9)**, the reasons for expunging the records or destroying fingerprints and photographs are to be included in the motion **or order**, specifically citing which provision of **[paragraph (A)] 18Pa.C.S. §9123(a)** applies.

For the information required by subdivisions (b)(10)-(b)(11), see Pa.R.J.C.P. 161(e) (requesting information from the juvenile probation office).

“Expunge” or “expungement” is defined by **[Rule] Pa.R.J.C.P.120**, which means to erase legally, or the process of legal erasure of an item making it permanently not available to the public but where some information may be retained only for limited purposes by agencies or departments. *See [Rule 173. See also Comment to Rule 120] Pa.R.J.C.P. 173; Pa.R.J.C.P. 120, cmt.*

[Rule] Pa.R.J.C.P.173 provides for the retention of certain information that is crucial for: 1) determining compliance with the order to expunge; 2) determining eligibility in a court program, determining the grading or penalty of an offense, or for other purposes as provided by law; 3) maintaining statistical and research information; 4) maintaining intelligence and investigative information; and 5) financial audits.

Pursuant to **[paragraph (D)] subdivision (d)**, the attorney for the Commonwealth is given an opportunity to respond to the motion **or order. A response to a request, in so far as practicable, should adhere to the requirements for answers pursuant to Pa.R.J.C.P. 344(D).** The attorney for the Commonwealth should specify its position on whether items should be expunged or destroyed. Expunged items remain available to law enforcement agencies and the attorney for the Commonwealth in limited circumstances, whereas destroyed items are permanently erased. The attorney for the Commonwealth should consent to expunging records unless the attorney for the Commonwealth demonstrates good cause for the retention of records. *See In re A.B.*, 987 A.2d 769 (Pa. Super. 2009).

The reasons for maintaining information pursuant to **[Rule] Pa.R.J.C.P. 173** do not qualify as good cause against expunging records under this rule. Maintenance of specific information is different from the maintenance of the official court record or other official records of the juvenile probation office or a law enforcement agency. Pursuant to Rule 173, a separate document, file, or database is to be created. *See [Rule 173 and its Comment] Pa.R.J.C.P. 173.*

If the attorney for the Commonwealth objects to expunging or destroying the records, the court should conduct a hearing on the motion.

Pursuant to **[paragraph (E) (3)] subdivision (e)(3)**, the court is to consider adverse consequences that an individual may suffer if the records are not expunged. Adverse consequences are discussed in The Pennsylvania Collateral Consequences Check list instituted by Pennsylvania Juvenile Indigent Defense Action Network in conjunction with the initiative the Models for Change System Reform in Juvenile Justice. This checklist may be accessed on the Supreme Court’s website at <https://www.pacourts.us/courts/supreme-court/committees/rules-committees/juvenile-court-procedural-rules-committee/juvenile-court-committee-rules-and-forms>.

The attorney for the Commonwealth in the county **[in which] where** a motion is filed in an **[inter-county] intercounty** transfer case **or a courtesy supervision** pursuant to **[paragraph (F)] subdivision (f)** should provide notice of the motion to, and communicate with, the attorney for the Commonwealth and the juvenile probation office in the county to which, or from which, the case was transferred **or courtesy supervision provided**.

Notwithstanding this rule, **[see] see** 18 Pa.C.S. § 9123(a.1) for cases that are ineligible for expungement proceedings. **[See also] See also** 42 Pa.C.S. § 6341 for destruction of fingerprints and photographs.

For the expungement of a DNA sample, record, or profile, see 44Pa.C.S. § 2321.

Rule 172. Order to Expunge or Destroy.

In addition to the service required by **[Rule] Pa.R.J.C.P. 167**, the clerk of courts, court administrator, or other court designee shall serve certified copies of the order on the chief juvenile probation officer, the Pennsylvania State Police, the Juvenile Court Judges’ Commission, and any other person or agency as directed by the court.

Comment: Pursuant to **[paragraph (A)(2)] subdivision (a)(2)**, the court is to list specifically which items are to be expunged and which items are to be destroyed. Specific information retained pursuant to **[Rule] Pa.R.J.C.P. 173** should be expunged but not destroyed. In most instances, the court should order that the fingerprints and photographs be destroyed and that there maining records and documents be expunged.

Pursuant to **[paragraph (A)(4)] subdivision (a)(4)**, an agency, department, **school**, or office **[may be requested] is required** to produce evidence of compliance with the court’s order **[to expunge] or to explain why compliance cannot be made.** **The court’s designee to receive written notice under this subdivision can be the juvenile probation office.** Non-compliance may result in a finding of contempt of court.

Pursuant to **[paragraph (A)(5)] subdivision (a)(5)**, the school is to destroy all information received from the court. Because the school is required to store this information separately under **[Rule] Pa.R.J.C.P. 163(F)**, destruction should not be difficult. *See [Rule 163 and its Comment] Pa.R.J.C.P. 163.* [The court may also require the school to provide written notice of the action taken.]

Rule 1931. Transmission of the Record.

(c) **Duty of Clerk to Transmit the Record.**

[Documents of unusual bulk or weight and physical exhibits other than documents shall not be transmitted by the clerk unless he or she is directed to do so by a party or by the prothonotary of the appellate court. A party must make advance arrangements with the clerk for the transportation and receipt of exhibits of unusual bulk or weight.]

(5) **Transmission of Exhibits.**

(i) **Oversized Documentary Exhibits.**

(A) **Except as otherwise provided in this rule, an oversized documentary exhibit made part of the original record pursuant to Pa.R.J.A. 5103(a) shall be transmitted to the appellate court in the form required by Pa.R.J.A. 5103(a).**

(B) **A party may request, by application to the appellate court, the transmission of an oversized documentary exhibit. If granted, the prothonotary of the appellate court shall direct the clerk of the trial court to transmit the oversized documentary exhibit to the appellate court. A party making the request shall make advance arrangements with the clerk of the trial court for the transportation and receipt of the oversized documentary exhibit.**

(ii) **Non-Documentary Exhibits.**

(A) **Except as otherwise provided in this rule, a non-documentary exhibit made part of the original record pursuant to Pa.R.J.A. 5103(c) shall be transmitted to the appellate court in the form required by Pa.R.J.A. 5103(c).**

2.

(B) **A party may request, by application to the appellate court, the transmission of a non-documentary exhibit. If granted, the prothonotary of the appellate court shall direct the clerk of the trial court to transmit the non-documentary exhibit to the appellate court. A party making the request shall make advance arrangements with the clerk of the trial court for the transportation and receipt of the non-documentary exhibit. If the non-documentary exhibit involves weapons, contraband, or hazardous materials, the party shall ensure that the exhibit is transmitted by law enforcement personnel who are authorized to transport such items to the appellate court.**

(iii) **Digital Media. A “non-documentary exhibit” shall not include any digital media storage device, such as a USB, CD, or DVD.**

Comment: Pa.R.A.P. 1926 provides the means to resolve any disagreement between the parties as to what should be included in the record on appeal.

[Paragraph] Subdivision (c)—See generally Pa.R.J.A. 5101-5105 concerning the custody of exhibits.

Pa.R.J.A. 5103(a) requires a documentary exhibit that is larger than 8½ x 11 inches to be reduced to copy of 8 ½ x 11 inches (or smaller) to be entered into the original record.

Pa.R.J.A. 5103(c) requires a photograph of a non-documentary exhibit (no larger in size than 8 ½ x 11 inches) to be entered into the original record in lieu of the non-documentary exhibit.

The Comment to Pa.R.J.A. 5103(d) specifies that non-documentary exhibits involving weapons, contraband, or hazardous materials should only be transmitted by law enforcement personnel who are authorized to transport such items to the appellate court.

Pa.R.J.A. 5103(e) requires any exhibit that is in a digital format entered into the original record shall be in a format that is acceptable to the court. Digital media exhibits include any law enforcement body camera or car camera video.

This subdivision does not relieve the appellant of the requirements under Pa.R.A.P. 2134(b) (drafts or plans).

On January 1, 2022, the *Case Records Public Access Policy of the Unified Judicial System* was amended to require the filing of the Confidential Information Form and eliminate the filing of “Redacted Versions” and “Unredacted Versions” of pleadings, documents, or other legal papers. Section 9.0(H) of the amended Policy continues to protect “Unredacted Versions” that were filed under the prior version of the Policy. For any “Unredacted Version,” the clerk of the trial court should continue to comply with the requirements of **[paragraph] subdivision (c)** when transmitting the record to the appellate court.

Historical Commentary

The following commentary is historical in nature and represents statements of the Committee at the time of rulemaking:

Explanatory Comment—1976

This provision makes clear that in multiple appeals only one original record need be transmitted.

Explanatory Comment—2004

It is hoped that the 2004 amendment to Rule 1931 will alleviate the potential waiver problem which results when counsel is unable to ascertain whether the entire record in a particular case has been transmitted to the appellate court for review. The rule change is intended to assist counsel in his or her responsibility under the Rules of Appellate Procedure to provide a full and complete record for effective appellate review. See *Commonwealth v. Williams*, 552 Pa. 451, 715 A.2d 1101 (1998) (“The fundamental tool for appellate review is the official record of what happened at trial, and appellate courts are limited to considering only those facts that have been duly certified in the record on appeal.”); *Commonwealth v. Wint*, 1999 Pa. Super. 81, 730 A.2d 965 (1999) (“Appellant has the responsibility to make sure that the record forwarded to an appellate court contains those documents necessary to allow a complete and judicious assessment of the issues raised on appeal.”). In order to facilitate counsel’s ability to monitor the contents of the original record which is transmitted from the trial court to the appellate court, new subdivision (d) requires that a copy of the list of record documents be mailed to all counsel of record, or to the parties themselves if unrepresented, and that the giving of such notice be noted on the record. Thereafter, in the event that counsel discovers that anything material to either party has been omitted from the certified record, such omission can be corrected pursuant to Pa.R.A.P. 1926.

SUPREME COURT OF PENNSYLVANIA APPELLATE COURT PROCEDURAL RULES COMMITTEE

PUBLICATION REPORT

Proposed Amendment of Pa. R.A.P.1931

The Appellate Court Procedural Rules Committee is considering proposing to the Supreme Court the amendment of Pennsylvania Rule of Appellate Procedure 1931 to provide for the transmission of oversized documentary exhibits and non-documentary physical exhibits to the appellate courts.

In 2023, the Supreme Court adopted Pennsylvania Rules of Judicial Administration 5101-5105 to govern the custody of exhibits during and after trial court proceedings, including both documentary exhibits and non-documentary exhibits consisting of photographs, video evidence, and oversized physical exhibits. Pa.R.J.A. 5103(a) requires the proponent of an oversized documentary exhibit offered into evidence to ensure that a copy of that exhibit is reduced to 8 ½ x 11 inches for entry into the original record.Pa.R.J.A.5103(c) has a similar requirement regarding non-documentary physical exhibits by requiring entry into the record of a photograph of the exhibit that is no larger than 8 ½ x 11 inches in lieu of the exhibit. The result is that an exhibit entered into evidence in a trial court proceeding must now be included as an 8 ½ x 11-inch item into the original record.It is this item that the clerk will certify for transmission tothe appellate court.

With the adoption of uniform standards for the entry of exhibits at the trial court level, the Committee examined the current procedures in the Rules of Appellate Procedure for the transmission of exhibits to the appellate courts as part of the certified record.Pa.R.A.P. 1931(c) currently sets forth specific procedures for the transmission of documents of unusual bulk or weight and physical exhibits. The rule prohibits the clerk of the trial court from transferring these types of exhibits unless directed to do so by a party or by the appellate court. The rule also directs that a party must make arrangements in advance for the transportation and receipt of exhibits of unusual bulk or weight.

To acknowledge and implement the requirements of Pa.R.J.A. 5101-5105, the Committee is proposing an amendment of Pa.R.A.P.1931(c) to provide that, as a general rule, oversized documentary exhibits, such as maps, zoning site plans, etc., and non- documentary exhibits made part of the original record pursuant to Pa.R.J.A. 5101-5105 should be transmitted to the appellate court in the form prescribed by those rules.

Recognizing that there may be instances that necessitate the transmission of an actual oversized documentary or non-documentary exhibit to the appellate court, the Committee is proposing an amendment of Pa.R.A.P.1931(c) to permit a party, upon application to the appellate court, to request the transmission of that exhibit to the appellate court. If the application is granted, the prothonotary of the appellate court will direct the clerk of the trial court to transmit the exhibit. The rule retains the requirement for the party making the request to make advance arrangements with the clerk of the trial court for the transportation and receipt of the exhibit by the appellate court. Importantly, the rule requires that any non-documentary exhibit involving weapons, contraband, or hazardous materials must be transmitted to the appellate court by law enforcement personnel authorized to transport such items.

Finally, the proposed amendment would exclude as a “non-documentary exhibit” any digital media storage device, such as a USB, CD, or DVD, to emphasize that, although it is a physical object, the evidence contained therein is in a digital format and should be transmitted to the appellate court pursuant to Pa.R.J.A. 5103(e).

Accordingly, the Committee invites all comments, objections, concerns, and suggestions regarding this proposed rulemaking.

Rule 514.1. Domestic Violence Affidavit.

[A.](a) [A] Time to File. Within 30 days after the entry of judgment for possession by the magisterial district judge, the tenant in a residential lease action who is a victim of domestic violence may file a domestic violence affidavit with the magisterial district court [in order] to stay the execution of an order for possession, subject to the limits of subdivision (c).

[B.](b) Form of Affidavit. The domestic violence affidavit shall be on a form prescribed by the State Court Administrator and shall require the tenant to affirm that he or she is a victim of domestic violence.

[C.](c) Length of Stay. The filing of the domestic violence affidavit with the magisterial district court shall stay the execution of an order for possession **for up to 30 days after entry of the judgment by the magisterial district judge.** The stay will terminate as of the **earliest of:**

(1) the filing of an appeal with the prothonotary pursuant to **[Rule 1002.] Pa.R.Civ.P.M.D.J. 1002B(2);**

(2) 30 days after the date of entry of the judgment **by the magisterial district judge[.];**
or

(3) by order of the court of common pleas**[, whichever is earlier].**

[D.](d) Docket. The magisterial district court shall enter the domestic violence affidavit on the docket of the residential lease action.

[E.](e) Service on Landlord. The magisterial district court shall serve a copy of the domestic violence affidavit on the landlord by mailing it to the landlord at the address as listed on the complaint form filed in the magisterial district court or as otherwise appearing in the records of that office, or the attorney of record, if any, of the landlord.

[F.](f) Appeal. The tenant shall attach a copy of the domestic violence affidavit to an appeal filing made pursuant to **[Rule 1002] Pa.R.Civ.P.M.D.J. 1002B(2)(a).**

[G.](g) Confidentiality. The domestic violence affidavit is not a public record and it shall not be **[publically] publicly** accessible.

[Official Note:] Comment: The appeal period for a **tenant who is a** victim of domestic violence in a case arising out of a residential lease is 30 days. See **[Rule 1002B(2)] Pa.R.Civ.P.M.D.J. 1002B(2)(a);** see also [68 P.S. § 250.513] 68 P.S. 250.513(b). A tenant who is a victim of domestic violence may file a domestic violence affidavit with the magisterial district court to prevent the execution of an order for possession prior to filing an appeal. The filing of the affidavit will prohibit the execution of an order for possession until after the 30th day following the date of entry of judgment, giving the tenant time to make the necessary appeal filing with the prothonotary pursuant to **[Rule 1002] Pa.R.Civ.P.M.D.J. 1002B(2)(a).** If the tenant does not file a domestic violence affidavit with the magisterial district court within 21 days following the date of entry of judgment, the tenant is at risk of eviction. **The domestic violence affidavit may only be filed during the period between the entry of the judgment in the magisterial district court and the filing of an appeal with the prothonotary, but no later than 30 days after the date of judgment.**

The domestic violence affidavit set forth in **[subdivision B] subdivision (b)** shall contain the name of the tenant who is a victim of domestic violence, the name of the perpetrator, the perpetrator's relationship to the tenant who is a victim of domestic violence, and the docket number for any protection from abuse case involving the tenant who is a victim of domestic violence and the perpetrator. The affidavit shall contain the tenant's verification that the statements made in the affidavit are true and correct to the best of the tenant's knowledge, information, and belief, and that any false statements are made subject to the penalties of 18 Pa.C.S. § 4904, relating to unsworn falsification to authorities.

No posting of money or bond is required to obtain a stay with the filing of a domestic violence affidavit. However, upon the filing of an appeal pursuant to **[Rule 1002] Pa.R.Civ.P.M.D.J. 1002B(2)(a),** the stay is lifted, and the supersedeas requirements of **[Rule 1008] Pa.R.Civ.P.M.D.J. 1008** shall apply.

Court Notices

continued from 14

If the landlord wishes to challenge the affidavit of domestic violence, the landlord shall only do so by filing an appropriate motion in the court of common pleas. No action challenging the domestic violence affidavit on any grounds shall be filed in the magisterial district court. This rule establishes that the domestic violence affidavit is not a public record and shall not be **[publically] publicly** accessible. See *Case Records Public Access Policy of the Unified Judicial System of Pennsylvania*, Section 9.0F.

SUPREME COURT OF PENNSYLVANIA

Minor Court Rules Committee

PUBLICATION REPORT

Proposed Amendment of Pa.R.Civ.P.M.D.J. 514.1

The Minor Court Rules Committee (“Committee”) is considering proposing to the Supreme Court of Pennsylvania the amendment of Pa.R.Civ.P.M.D.J. 514.1, pertaining to a domestic violence affidavit used to assert a 30-day appeal period from a residential landlord-tenant judgment by a victim of domestic violence.

By way of background, in 2020, the Court adopted rules concerning the 30-day appeal period in residential lease actions for tenants who are victims of domestic violence. See 50 Pa.B. 4502 (September 5, 2020). The Committee proposed the changes to incorporate 68 P.S. § 250.513(b) into the rules. Section 250.513 provides for a 30-day appeal period in a residential landlord-tenant proceeding for a victim of domestic violence, in contrast to the standard 10-day appeal period in other residential landlord-tenant cases. A victim of domestic violence is statutorily defined as “a person who has obtained a protection from abuse order against another individual or can provide other suitable evidence as the court shall direct.” See 68 P.S. § 250.513(e).1

A magisterial district judge recently advised the Committee that a tenant who had appealed an adverse judgment in a landlord-tenant proceeding attempted to file a domestic violence affidavit after the termination of a supersedeas at the court of common pleas and well after 30 days past the entry of the magisterial district court judgment. In this case, the tenant sought to use the domestic violence affidavit to stay eviction in a manner for which it was not intended.

Upon examining Pa.R.Civ.P.M.D.J. 514.1, the Committee believes it would benefit from amendments to specify limits on the time for filing a domestic violence affidavit. While subdivision (c) of the rule identifies the point at which a stay granted following the filing of a domestic violence affidavit terminates, the Committee agreed subdivision (a) should be amended to state the time for filing the affidavit.

The Committee proposes amendments to Pa.R.Civ.P.M.D.J. 514.1 to clarify the time for filing a domestic violence affidavit. Proposed subdivision (a) provides that the domestic violence affidavit may be filed within 30 days after the date of entry of the

1 The definition of victim of domestic violence in Pa.R.Civ.P.M.D.J. 501(3) and Pa.R.Civ.P.M.D.J. 1001(10) differs from § 250.513(e) by omitting the phrase “as the court shall direct.” Courts do not “direct” the parties on the evidence needed to substantiate their claims.

5 judgment by the magisterial district judge. Proposed subdivision (a) was further revised to clarify that a stay issued pursuant to the rule is subject to the limits of subdivisions (c). A new provision was added to the commentary to explain that the domestic violence affidavit may only be filed between the entry of the judgment in the magisterial district court and the filing of an appeal with the prothonotary, but no later than 30 days after the date of judgment. It is the Committee’s intention that these amendments will clarify that the protections of the domestic violence affidavit are only available during the 30 days following entry of the judgment for possession and not at subsequent points following an appeal.

Proposed subdivision (c) clarifies that the stay of execution of the order for possession following the filing of a domestic violence affidavit may be in effect for up to 30 days after entry of the judgment. Subdivision (c) would be further amended by adding subdivision designations to the three events that terminate the stay.

The Committee welcomes all comments, concerns, and suggestions regarding this proposal.

NEW PROTOCOL FOR LIST ROOM JURY DEMAND

EFFECTIVE 2/3/2025

When a Jury Trial is requested in the list room, the crier must call Criminal Listings to change the Event Track to a List Room Jury Demand. Criminal Listings will schedule the Jury Demand matter before the appropriate Major Trial- Section Leader.

Jury Demands will be scheduled on Wednesday for Jury Trial before the assigned section leader approximately 7-10 days from the Jury Demand date. However, if the Jury Demand matter has special considerations such as a witness travelled from out of town to attend court, the Jury Demand matter shall be sent the same day to the Section Leader for immediate trial assignment.

The Jury Demand listing is a trial date, and the parties are to appear before the Section Leader ready to be sent to an available judge for the trial.

If there are no available judges, the case is to be rolled day to day, until a judge becomes available to try the matter.

Parties will not be permitted to waive their right to a Jury Trial, once the jury demand is made. Pleas will only be allowed before the Section Leader.
